BBC comedy babes whip 'em out

NO wonder the BBC's new comedy *King Gary* has been such a hit – check out the busters on its female stars!

The funny sitcom airs on primetime Friday night BBC1 at 9.30pm and has been picking up plaudits from critics and viewers alike.

It follows the head of a working class family made good, trying to fit in in suburbia while staying true to his roots.

Tom Davis stars as Gary, while *Doctor Who* star Camille Coduri plays his wife Terri.

Stripper

She keeps her kit on in the show but in the 1991 movie *King Ralph* she played a stripper who goes topless, though she covers up her fine knockers.

And in one episode blonde beauty Sura Dohnke guest stars as Meg Williams.

Sura took her clothes off for the 2009 thriller *Code 37*.

A source said: The BBC hasn't had much success with comedy for the last few years.

"Apart from *Mrs Brown's Boys* they haven't had a hit in ages so it's nice to see them do something decent.

"And it's even better that they have babes who have had their busters out in the past."

TUPPENCE, A BLAG: Zizi as Mary Poppins in the hit musical

By PENNY MARSHALL news@sundaysport.co.uk

***MARY Poppins The Musical* star Zizi Strallen has found herself the victim of evil internet hackers who claim to have stolen footage of her masturbating – and have posted it online.**

Zizi, 30, has been playing the role that made Julie Andrews a legend in theatres around the world.

But now she is shocked and appalled after a video of a woman that looks just like her hit the web, with sickos saying it's the singer.

According to friends Zizi – who also appeared in the recent film version of Cats – has no idea how this footage got into the hands of evildoers.

Horny

It is likely the video is not of Zizi but a clever forgery created using sophisticated Deep Fake technology.

A source said: "This is not something that should be in the public domain.

"Having said that, it's very, very horny and if it is her then all power to her.

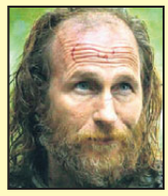
"If this footage is real then she is a very sexy woman with beautiful pert busters and a really firm body on her.

"Of course no-one should ever look at it because it should be private but she can at least be happy knowing that if some sick people do manage to watch it then at least she looks good.

"They will have to rewrite the lyrics to the famous song, mind.

"Instead of *supercalifragilisticexpialidocious* it could be *superzizifrigyourclititssexynotatrocious*."

Thoros star: I've never seen GoT



ACTOR Paul Kaye says he has never watched *Game of Thrones*, despite starring in it as Thoros of Myr.

The 55-year-old (*left*), who shot to fame as celeb prankster Dennis Pennis, played a warrior priest Thoros in the series.

Paul said: "I've learnt a bit of Dothraki, it's my new party trick – I haven't got a clue what it means.

"It's a few lines I can say, but I send it to everyone I record a message for and pretend it means happy birthday, or whatever.

"I've still never seen *Game of Thrones*, so that works for me."

TELECOMS giant Huawei is given the green light to build Britain's new 5G mobile phone network – despite fears it'll leave us wide open to hackers, spies and eavesdroppers.

Boris Johnson has "some concerns but is willing to give Huawei the benefit of the doubt", said a spokesman for the Chinese firm.

He added that the Prime Minister then texted his girlfriend Carrie to say he'd be late home for tea, looked up the lottery results online and sent a Whatsapp to Dominic Cummings saying how much he loved him.

TUESDAY

THE BBC announces plans to axe 450 journalists.

Those facing the chop include the entire team who make BBC2's *Victoria Derbyshire* programme – a ground-breaking show which has shed light on difficult issues like vagina-tightening surgery.

So it's ironic that their BBC bosses clearly think they're a bunch of slack cts who need cutting.**

WEDNESDAY

TRIBUTES are paid to the veteran broadcaster and quiz show host Nicholas Parsons, after he dies aged 96.

Some fans called for a 120-second silence to honour him. But we reckon he would prefer just a minute.

Parsons was famous for a BBC show in which he made light entertainment stars avoid deviation for 60 seconds.

Which is why Jimmy Savile was never on it.

THURSDAY

So between this lot and your new Huawei phone, you're definitely going to get a Chinese bug of some sort.

FRIDAY

AFTER years of tense negotiations and bitter arguments, THAT long-awaited deadline arrives and Britain breathes a sigh of relief.

Some diehard folk even stayed up late to watch the final seconds play out, but they finally get their wish.

That's right – Wolves defender Ryan Bennett went on loan to Leicester for the rest of the season.

SHOCK REVELATION AS TV AND RADIO LEGEND DIES...

I'M SORRY I HAVEN'T A CLUEDO: The late Nicholas Parsons with Joanna and Jerry in drama

They're knickerless, Parsons!

BBC Radio 4 panel show legend Parsons, who died this week aged 96, starred in a televised edition of the board game Cluedo in the early 90s.

The *Sale of the Century* star played the game's Reverend Green opposite model Jerry Hall's Miss Scarlett, and actress Joanna Lumley's Mrs Peacock.

But what the ace quizmaster may not have known were the saucy pasts of his co-stars! Joanna, 73, went topless in 1980's *Games That Lovers Play*.

While Jerry, 62, formerly partner to Rolling Stone Sir Mick Jagger and now married to media mogul Rupert Murdoch, had several full frontal NUDE photoshoots in her modelling days.

The trio joined the cast of the TV Cluedo production, which also featured comic John Bird, ex-*EastEnder* Leslie Grantham and Liz Smith – Nana in *The Royle Family* – who died in 2016, also aged 96.

Meat-free dog scoffs owner who slipped on vegan roll

A COMMITTED vegan who only fed his pet dog plant-based grub was eaten by the mutt after slipping on a meat-free sausage roll and banging his head.

Liam Hathersage, 37 (*above*), featured his beloved dog Peppa frequently on Instagram, where he showed the her chomping away on fruit and veg.

He claimed dogs only eat meat because of man's conditioning and reckoned they can live just as well as vegans.

But tragically Liam disproved his own theory when he lay dead for around 12 days and a starving Peppa began to devour his flesh.

Police were called when followers realised he hadn't updated his social media pages and officers found his body half eaten.

A source said: "He was well dead. It looked like he had slipped on a sausage roll and banged his head hard. The dog had taken most of the flesh off his face and even eaten his genitals.

"It's a tragic way to prove that Liam was wrong about dogs. They do like meat after all."

Ghost museum buys haunted Beadle car

A CAR owned by prankster Jeremy Beadle has been bought by a ghost museum after experts verified the late entertainer's spirit is haunting its exhaust pipe.

They paid £3,400 for a Ford Anglia once owned by Beadle (*above*) and plan to put it on display in the summer.

Owner Lee Ince, 44, said: "Hopefully this addition will put us on the map."

ACTION TRAN

SUNDAY SPORT EXCLUSIVE

CAMPAIGNERS for traditional toys have reacted with "horror and disbelief" after a plaything supplier started rolling out a TRANS version of kids' classic ACTION MAN.

Action Tran, the brainchild of Brighton firm Positivitoys, aims to "break down the barriers that have for so long defined the cis-gender-dominated UK toy market".

Co-founder Tarquin Bassett said: "Actually, I think you'll find that the majority of parents today want toys that will stretch their children's imaginations and definitions of what gender is and what gender roles are.

Battlefield

"There is no reason why members of the trans community could not perform perfectly well on the battlefield along with other humanitarian roles like peacekeeping."

But Lionel Hart, founder of the Real Toys For Real Boys pressure group said: "Action Tran indeed.

"It is an aberration and a slur on the British Army!

"But you watch, no toy shop will be able to refuse to stock this toy for fear of being picketed by burly lorry drivers in polyester dresses.

COPS CALLED OVER SMUTTY GORILLA

POLICE were called over concerns a GORILLA was on the loose after a huge, hairy ape was seen acting "smuttily" in the street.

The "animal" was spotted in Barrow-in-Furness, Cumbria, with witnesses saying it was thrusting its hips at shocked locals.

But after arriving at the scene, cops quickly realised it was just a man dressed up as a gorilla – advertising a nearby bingo event.

The gorilla, called Nigella (*right*) – who is a "crossdressing ape" mascot for Who's Bingo – was then sent on its way by officers.

One local said: "It was thrusting its hips and acting quite smuttily – I'm glad it got moved on."

Another local, calling themselves BoringDave, posted online: "The person who thought it was a real gorilla, and reported it, is more of a danger on the streets."

And resident Stephen Warbis added: "Somebody needs to go to Specsavers. I saw two coppers in two vans talking to the gorilla."

Who's Bingo boss Adam Robinson later apologised to police, saying he didn't want to "waste" their time.

He explained: "It's a costume that we use to promote events.

"The police did say that we weren't doing anything wrong, but that we should be more cautious in future."

Charlotte: I'm itching for sex

GEORDIE Shore stunna Charlotte Crosby joked she had trouble in her nether regions on *I'm a Celebrity... Get Me Out Here!* in Australia.

That was her explanation for why she hadn't had sex with new beau Ryan Gallagher after the pair clicked on the jungle show.

The 29-year-old said: "Obviously we spent last night together – nothing like you think! I've got some infections down there... you can't really go there at the moment.

"So at the weekend there's going to be some fireworks, I tell you now! Give us two more days with the cream!"

While on the show, Charlotte (*left*) also confirmed she might potentially move over to Oz in order to be with *Married at First Sight* star Ryan.

She added: "I want to live in Australia, so I'd prefer me to go there than him to come to England.

"It's very drab in England – there's always rain."

Troll plays Elle with The Body

SUPERMODEL Elle "The Body" Macpherson has denied having cosmetic surgery.

The 55-year-old scorcher insists that she's "ageing gracefully without interference" as she dismissed an online troll's suggestion she's had work done.

The commenter told her: "Whatever you're doing to your face STOP IT! You don't look like yourself anymore! Please stop – you were beautiful, now not so much."

But cool Aussie Elle replied with an emoji shrug on her Instagram, and said: "The only thing I'm doing is ageing gracefully without interference.

"Sorry if it doesn't work for your vision of what you think I should look like. I'm me. Healthy happy and nearly 60. Go figure."

Stunning Elle (*right*) has repeatedly denied going under the knife, and although she's admitted trying Botox and collagen injections in the past, he insisted they "don't work" for her.

She said: "It doesn't work for my face.

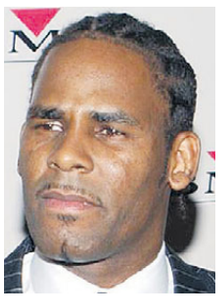
"I've learned that a good smile, good teeth, good hair, good skin and a good mood are worth a thousand injectables and facials and masks."

R Kelly 'blackmailed' hundreds of victims

ALLEGED paedophile pop star R Kelly has HUNDREDS of victims in every city across the US, but he's blackmailed them into silence by forcing to make child porn videos, claims an ex.

The R&B man's former girlfriend Azriel Clary claims he would film women molesting children or doing degrading sexual acts so they would never be able to come forward.

Azriel, 22, said: "I think that there's hundreds of victims out there. R Kelly has his live-in girlfriends... he has girlfriends in every city. He has flings in every city.



"There's usually three main cities in every state. So three times 50 – that lets you know how many women are probably out there.

"He blackmails everyone and makes everyone do degrading stuff – whether on film or writing it down."

The disgraced star, 53 (*left*) – real name Robert Kelly – was arrested in July on child pornography and racketeering charges.

WIRR-ALL GONNA DIE!

Peninsula chosen for UK coronavirus victims because it's easy to cut off

BLACK DEATH: Virus victim in Wuhan, but others could be staying in UK nurses' home

By Disaster Correspondent
JUSTIN DUNN
news@sundaysport.co.uk

THE BRITISH Government is willing to sacrifice 330,000 lives in its desperate bid to stop the deadly coronavirus from wiping out more than half of Britain's population.

That is why they have placed the 120 UK citizens flown out of Wuhan province in China in quarantine on the Wirral peninsula in the north west of England.

Because if any of the evacuees are infected with the deadly coronavirus then it is a relatively easy to isolate the area as it is surrounded on three sides by water.

Experts say the government's plan is to simply lock everyone behind a wall until they either die from the virus or it peters out.

Access

They say that depending on the strength of the virus, which some believe was manufactured in a Chinese bioweapons laboratory, the entire 300,000 population of the peninsula could die.

The official line from Downing Street is that the location is close to Liverpool's world-renowned School of Tropical Medicine and the motorway system, with easy access to Manchester and Liverpool airports.

But our insider, who attended 10 Downing Street's COBRA emergency committee revealed the truth.

He said: "This is DEFCON 1. This is the government at its most extreme. They are willing to let hundreds of thousands of people die in a bid to keep the rest of the country safe.

"It is fairly easy to isolate a peninsula. It is surrounded by the River Dee and North Wales to its west, the River Mersey separating it from Liverpool to the east, and the Irish Sea to the north.

"Access to the area can be easily contained by closing the Mersey Tunnels, blocking road routes out of the south of the peninsula into Cheshire and using Royal Navy gunboats to guard the coastline.

"This is deliberate planning. The people of the Wirral will be sacrificed for the good of the UK.

"I'm sure we will all be grateful afterwards and there'll be some sort of plaque, but that doesn't help them now.

CUT-OFF: Wirral, the area where all Brit Wuhan evacuees have been dumped

Dying

"And the government will get away with it because when push comes to shove, if you're not stuck behind the quarantine walls with the sick and the dying you will be grateful that they are there.

"The only problem is that it won't work. You can't do an Eyam these days. That was the village in 17th century Derbyshire that famously isolated itself during the bubonic plague, known as the Black Death.

"The fact is the virus is coming to Britain from around the world and if it is as dangerous as the Chinese government officials are secretly saying then we are all in big trouble and no walls, no sacrifice will save us."

All the evacuees are being held in nursing accommodation in the grounds of the general Arrowe Park Hospital in Woodchurch, Birkenhead – itself already affected by norovirus and C-diff outbreaks.

Security is being provided by Border Force operatives normally employed to stop the flow of illegal immigrants from entering our shores.

The coronavirus – repotedly able to spread as easily as a common cold – is thought to have leapt from animals to humans thanks to people eating bats and having sex with snakes in China.

The insider added: "If this really is the end of the world, we have no problem with it starting in Birkenhead."

BRITAIN'S DEADLIEST KILLERS LEFT TERRIFIED

FOUR infamous UK citizens speak to *Sunday Sport* about coronavirus fears...

ROSE WEST

CROMWELL Street killer Rosemary West, 66, serving life behind bars after being found guilty of murdering 10 people, said: "My Fred never liked the Chinese. Godless, he called them.

"It does however make me sick that in this day and age, what with Iceland and Lidl and whatnot, that people are still eating live bats and snakes. "What's the world come to?"

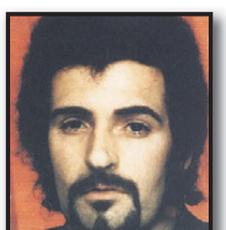
STEPHEN GRIFFITHS

CROSSBOW killer Steve Griffiths, 50, from Dewsbury, Yorks, is serving a whole life sentence tariff behind bars after admitting brutally murdering three women.

He said: "I am particularly worried because I like to eat human flesh and I bet that's an easy way to catch that coronavirus.

"Typical really. Just my luck!"

PETER SUTCLIFFE



YORKSHIRE Ripper Peter Sutcliffe, 73, serving a whole life tariff after being convicted of murdering 13 women between 1975 and 1980, said: " I am bricking it, frankly,

"Prisons are the perfect place for a virus to spread and I'm too young to die."

STEVE WRIGHT

SUFFOLK Strangler Steve Wright, 61, serving a whole life tariff for the murder of five women in Ipswich, said: "In my day, if there was a problem to be dealt with, you strangled it.

"Simple. But no doubt the government is too hoity-toity to ask me for advice.

"I'd say I'd be prepared to do time to protect my country, but it appears I already am."

THE VOICE OF YOUR BRITAIN

Brave new world will make Britain Great once more

WELL, it's Day 2 post Brexit and here at Sport Towers we have been waiting all weekend for the country to fall to pieces.

We have to report that, other than a rather unfortunate incident in the pub on Friday evening celebrating Brexit when one of our political team followed through during a farting contest, nothing untoward has happened.

No. Nothing. Zip. Squat.

The doom-mongers of Project Fear would have us believe that by now, great earthquakes would have opened up across the country, swallowing millions of Briton's to their deaths.

Schools would suddenly have to shut, forcing kids to take zero contract jobs to help their parents make ends meet; hospitals would run out of smoking shelters and plasters; the shelves of our supermarkets would be stocked, as in the godless Soviet state of Russia, with nothing but vodka and cold soup.

But, wait...

None of this has happened.

And none of it will.

We didn't believe any of this rubbish three years ago when we voted to leave. And we don't believe any of it now.

We at the Sunday Sport are absolutely positive that this brave new world will be the making of Britain, heralding a new era of freedom, prosperity and all-round good stuff.

The naysayers have had their day and they have been proved to be a pessimistic bunch of hot-air spouting tossers, many of whom would love to see this great country on its knees.

Well it's not going to happen.

Here's to our nation reclaiming its glorious past.

‘Dry January’ builder’s £4k booze binge

A BOOZE-LOVING builder celebrated the end of Dry January with an epic boozing session that cost him more than £4,000!

Thirsty John Morgan (*above*), 23, ended up drinking in a posh London restaurant after taking a month off the sauce.

But he got so wasted he had no idea he was spending hundreds on bottles of wine for him and his three pals.

It was only the next day when he woke up with a receipt for £4,112 that he realised what had happened.

John, from Billericay, Essex, explained: “My tolerances must have dropped because I was utterly wasted after just a few beers.

“Next thing I know we’re all in this posh restaurant and I’m giving it large ones.

“I don’t know nothing about wine and I was buying bottles at six hundred quid a pop.

“We only spent 40 notes on food.

“I don’t remember paying for it but I clearly did – I’ve got the credit card receipt. I feel a right bellend.”

Shotgun threat traveller jailed

A TRAVELLER fired a shotgun in front of horrified motorists after a car crash.

Martin McGroary, 21, was jailed for 20 months at the High Court in Edinburgh after he was filmed brandishing the weapon and warning “you are one dead man”.

The footage was shared on a community Facebook page which led members of the public to contact police.

A judge was told that Michael Stewart, who was the target of the abuse, had been made aware of the online video.

The threats came after Mr Stewart’s van collided with another van that had McGroary and his younger brother Connor, 18, in it.

In the footage filmed on the A199 at Tranent in 2018, McGroary calls Mr Stewart a “scumbag” and told him to “sleep with one eye open”.

Aide axed over boozy pupil orgy

A TEACHING assistant has been suspended for plying underage pupils with booze and urging them to shag each other while she watched.

Ashley Ann Morgan, 33 (*above*) encouraged the naked teen orgy at her home, then tried to silence a teenage girl victim by threatening to reveal personal information about her.

Morgan, from Park City, Utah, has been charged with child abuse, witness tampering and contributing to the delinquency of a minor.

She was released after posting bail.

The case unfolded in September last year when Morgan, working at Wasatch Co School District, invited three high school students – a girl and two boys – to her home for booze.

The 17-year-old girl told officers Morgan encouraged her to have sexual contact with one of the boys.

Morgan later sent a text to the girl telling her to lie to the police.

By JUSTIN DUNN justin@sundaysport.co.uk

ONCE upon a time the idea of a lady doctor would have been dismissed as the ravings of a lunatic.

But after *Dr Quinn: Medicine Woman* emerged in the Wild West, the idea of female medics began to catch on.

Naturally most early lady doctors dealt with "women's things" – a subject that male doctors had baulked at for generations.

But as time went on, females were allowed to do proper doctoring, such as dealing with broken legs and getting pans off boys' heads.

Now there are lady doctors everywhere and that's reflected in our TV dramas.

Famously, lovely Emilia Fox plays a forensic doctor in *Silent Witness,* which is back on screen for its 23rd series.

'Napoleon' who shot and cut up ex is sane

A TOP historian and Napoleon impersonator was NOT insane when he killed and dismembered his young student lover, say psychiatrists.

Oleg Sokolov, 63 (*above*), shot dead PhD student Anastasia Yeschenko, 24, with a rifle made to look like a 19th century cavalry gun after a row at his home in St Petersburg.

Sokolov, who often dressed up as the dead French emperor, then dismembered Miss Yeschenko, putting her body parts in plastic bags, and dumping them in the Moika River.

Following his arrest in November last year – when Sokolov was found in the river holding a backpack containing some of the remains – doctors were asked to assess his mental state.

The analysis showed he was not in a "strong emotional state" or a "psychologically traumatic situation" when he killed Anastasia.

A COUNCIL has banned its workers from using ladders after concluding they "breach health and safety rules".

Ringwood Town Council said its maintenance team can no longer climb ladders to put up banners in the Hampshire market town as it is "too dangerous".

The council's planning committee will now investigate alternative methods – including using scaffolding towers or hiring cherry pickers.

The council said it previously advertised charity and group events in the town by putting up plastic banners 15ft in the air on lampposts.

To put them up on 10 lampposts, maintenance workers climbed ladders.

But the council's advice from its health and safety contractors, saying it's "not a safe way of working".

Teen sex tape blackmailer's eyes cut out

A MUM and daughter have been arrested for kidnapping and torturing a man by gouging his eyes out before killing him after he used sex tapes to blackmail the younger woman.

Larry Andre Larrahondo contacted Jessica Bernal Ramirez, 19, on social media in July to have sex with her for cash in a motel in the city of Cali in western Colombia.

After they met, the teen received texts threatening to publish sexual videos recorded during the encounter.

It is unclear if she received the threats from Larrahondo.

The teen told her mother Diana Patricia Ramirez Arce and her step-dad Javier Andres Amador Richte, who then set a trap for Larrahondo by luring him into thinking he was meeting the girl again in a motel.

Larrahondo was beaten by a group of people in the motel, then put in a vehicle.

His dead body was found in bushes a few days later, in the nearby town of Yumbo.

A post-mortem exam revealed the victim had fractures to his head, jaw, and upper limbs as well as several stab wounds.

His eyes had been removed and he had injuries caused by impalement.

The investigation is ongoing.

Jailed killer rapper's £150,000 record deal

A RAPPER jailed for life for murdering a gang rival was offered a £150,000 record deal while in prison awaiting trial.

Jayden O'Neill-Crichlow, 17, was sentenced with four other gang members from Tottenham, north London, at the Old Bailey.

O'Neill-Crichlow *(above)*, who performs as SJ, was among a group from the NPK gang in Tottenham wielding knives, a sword and a gun who murdered a teenage father in Wood Green.

The court was told that there was a proposed deal in place to sign O'Neill-Crichlow, a member of the drill rap group OFB (Original Farm Boys) to an unidentified record label for £150,000 and that negotiations had been held during his time on remand.

Striker reveals footie players shave their bollocks

By SIMON DEAN
simon@sundaysport.co.uk

FOOTY ace Peter Crouch has lifted the lid of football's grimmest secret – players shave their knackers!

The former England striker, 38, speaking this week on his Radio 5 Live podcast, said he couldn't go around with a "big bush".

He said most players trimmed their private parts, and that it was "respectful" to ensure you were "neat".

Peter, who is married to model Abbey Clancy and who retired from the game last year, said: "You can't have a big old bush can you?"

Asked what he used to do his own manscaping, he said: "An electric razor. I think it's quite normal, a lot of lads manscape in football.

"I haven't had a Brazilian, that's a bit much,but I'd disagree with your au naturel pubic status – I think it's respectful to not have that much pubic hair."

Crouchy was also asked if he would ever get a hair transplant if he started going bald.

He said: "I wouldn't be adverse to getting a hair transplant

"There's lots of places. I've seen quite a lot of Scottish players have had them done and they look great.

"Look at Antonio Conte, from when he was playing to when he was managing Chelsea.

"He looked younger when he was managing Chelsea than when he played for Juventus, so it can work wonders."

EDUCATIONAL: Women learn to masturbate on Gwynnie's show

By SARAH DILLON
news@sundaysport.co.uk

HOLLYWOOD hottie Gwyneth Paltrow has just released her best work – a TV show featuring women staring at each other's minges and then wanking!

Iron Man beauty Gwyn, 47, has created a new series for streaming giant Netflix called *The Goop Lab*.

It follows on from her Goop website where she flogs jade eggs for women to stick up themselves and candles that apparently smell like fannies.

The third episode of the show is all about women's bodies and sexuality.

She talks to sex expert Betty Dodson who reveals that many women aren't comfortable looking at their downstairs bits.

So Gwynnie organises a love in where a gang of women strip naked and show each other their parts.

They then look at their own bits in a mirror – before we see close-ups of fannies.

Then Betty instructs one woman on how to have an orgasm using her patented Vagina Barbell.

The camera lingers on her body as she slowly builds to groaning climax.

A source said: "Close-up of minges and actual, real orgasms is not something that is regularly seen on TV.

"The fact this is billed as educational means Gwyn can get away with what is otherwise porn!"

Mum drove getaway car for masked son, 15, in armed robbery

A MUM played lookout and drove the getaway car for her 15-year-old son in the Halloween armed robbery of a petrol station shop.

Amanda Meador, 37, waited in a minivan as the boy – who cannot be named – donned a mask and entered the shop on October 31 last year.

But the teen failed to wear gloves as he handed a clerk a note demanding money which contained his fingerprints.

The staff member handed over cash and Meador was later identified as the woman seen on video footage.

Two other males were in the vehicle and one was driving until the woman got out and sat in the driver's seat.

The robber fled the store in Seminole County, Florida, and the blue minivan was later seen stopping to let him out.

Maedor *(above)* was charged with principle to robbery with a firearm and child neglect.

Krauts rally to Nazi beer

BOOZERS in Germany are furious after a real ale named Thirst Reich was released in the same week the world remembered the victims of the Holocaust.

The scandal over the beer, produced by the Deutsches Reichsbrau, has caused a row with the krauts who, these days, are against genocide.

The grog was on sale in a town in Saxony-Anhalt state where far-right extremist groups are especially active.

Photos of the booze were posted on social media by Ulrich Goetz , a district chief in eastern Germany, who said: "I feel so ashamed."

Germany has strict laws banning the use of neo-Nazi symbols and cops are investigating.

The beer was reportedly put on sale by far-right activist and pub owner Tommy Frenck, who also stages neo-Nazi festivals.

PLANT OF ACTION: Jim announces his plan on Instagram – before disaster struck

SOCIAL media influencer Jim Duggan has a dire warning for anyone attempting the Eggplant Challenge which is sweeping the web – DON'T DO IT!

Because Jim, 38, spent an embarrassing afternoon in A&E when a GIANT aubergine got wedged up his ARSE.

Unmarried Jim was trying out the craze which has gone viral in the last five weeks.

The tricky Eggplant Challenge started with some of the hottest XXX stars sticking aubergines, eggplants in America, up their chuffs.

The eggplant emoji is used to represent a penis in texts and porn babe Gemma Hooper kicked things off when she posted a video of her sticking one up herself.

The challenge was taken up by other sex stars before sweeping the world of social media influencers.

And last Friday Jim, of Whitehaven, Cumbria, decided to join in.

He posted a picture of himself ready to stick it up his back passage with an Instagram post saying: "About to try the eggplant challenge with this big bastard – wish me luck!"

But after cramming the girthy fruit up his bumhole it got stuck.

He said: "I thought it would be a laugh. It really wasn't.

"I managed to cram most of it in, then there was a pop and the whole thing went up.

"It was lubed up so I couldn't get a grip to get it out. I had to waddle to the hospital and tell them what happened. It was so embarrassing and took medics all day to pop it out.

"You should've seen my ringpiece afterwards it was a gaping, ragged mess."

Pickpocket caught with 30 mobiles at rock gig

DUTCH police got to the bottom of mobile phone thefts at a rock concert when they found a man with 30 mobiles stuffed down his cycling shorts.

Officers said the unnamed pickpocket, aged 34, is believed to be part of a roving gang of thieves.

He was stopped after concert goers alerted the police, who then blocked the exits.

Extra cops went to the Sum 41 concert in Amsterdam-Zuidoost after a tip-off from Belgian officers.

Fifty mobiles had previously been stolen at a Sum 41 gig in Antwerp.

It is not yet clear if the suspect – a Romanian national – had accomplices at the Canadian band's Amsterdam concert, which took place on January 21.

School aide admits sex with pupil, 16

A WOMAN who worked as a teaching assistant has been arrested for shagging a student.

Alicia Gates, 44, has been charged with intercourse or sexual contact with a student and corruption of minors and was released on £200k unsecured bond.

Investigators say it happened some time between June last year and January 7 this year in Erie, Pennsylvania.

The father of the 16-year-old male victim reported the inappropriate relationship with Gates to State Police.

He found several phone calls from her number on his lad's phone, cops say.

The dad also told investigators the victim previously dated Gates's 15-year-old daughter.

Gates has admitted the inappropriate relationship, as well as kissing, touching, and sexting on Snapchat.

CORRIE GUEST ROLE TO BOOST POPULARITY

WTF... MEG SHAGS DEV?!

CORONATION TREAT: How Meg might look in bed with Dev

TROUBLED Meghan Markle has approached *Coronation Street* producers for a role in a desperate bid to win back public support.

Since Meg and Prince Harry quit as royals and moved to Canada, their popularity has plummeted.

The couple are bewildered at the way their retreat from royal life has been received and have been casting around for ideas to win back the love of our nation.

SUNDAY SPORT EXCLUSIVE

By REX ROWLANDS

And during one twelve-hour brainstorming session, a PR guru came up with the idea of getting actress Meghan on *Corrie* – the UK's best-loved soap.

An insider said: "They just want to be loved and had no idea what would happen when they told the world they were quitting.

"They have been employing all kinds of experts to help them get back in the nation's good books.

"When one of them suggested a guest role in *Corrie* everyone knew it was perfect. They have been in touch with ITV producers and talks are on-going."

Brand management expert Finnuala Blackfoot said: "If she was my client this is exactly the strategy I would be looking at.

"She's a really good actress and could easily hold her own against Steve McDonald.

"I think she'd be best going for a comedy role – something light-hearted like being Dev's new girlfriend."

Woman held for stealing clit suckers

A WOMAN has been arrested for stealing 40 'clit suckers' from a distribution centre.

Following the theft police tracked down and detain the suspect, who was reportedly found in possession of 20 unused Satisfyer Pro 2 clitoris stimulators, which were then returned to the company. It is currently unclear what happened to the other 20.

Reports said the sex toys cost around £25 each.

The website of the firm in Callosa de Segura, Alicante, describes the product as "the next sexual revolution" and comes with a battery that can be charged via a USB connection as well as two buttons – one to turn the clitoris sucker on and off while the other controls its 11 levels of intensity.

It's claimed the sex toy is silent and is even able to function under water.

The woman is being held pending charges.

DON'S 'MAGIC' HOLLY & RUTH STATUES WILL BRING PEACE TO ITV SHOW...

I'll end This Morning TV feud!

LICKING GOOD: Don has used magic rituals on his naked effigies of the show's stars Ruth *(left)* and Holly *(right)*

A *THIS Morning* fan and part time wizard has come up with a way to restore peace to the troubled daytime TV show – with a pair of nude magic statues that have the power to end all arguments.

THIS MOANING: Hosts of daytime show

SUNDAY SPORT EXCLUSIVE
By REX ROWLANDS

Don Upson, 63, says he's been practicing magic since 1989 and has been watching *This Morning* for almost as long.

The former plumber from Mold, North Wales, has been devastated by the fueding between Philip Schofield, Eamonn Holmes, Holly Willoughby, and Ruth Langsford.

He said: "I couldn't just sit back and let the best show on television go to the dogs. I am a wizard which means I have the power to help.

"So I carved a pair of statues that are imbued with the spirits of Holly and Ruth. They are made with yew wood, which has the power of healing, and I'm sure you agree they are a great likeness.

Don added: "I have performed the necessary rituals and am confident that this will all be over by next Tuesday."

"When asked why the statues were naked, he said: "Because of the rituals."

He then started to lick Holly effigy's wooden nipples as our reporter made his excuses and left.

10 things you might not know about SUPERBOWL SUNDAY

IT'S one of the biggest global sporting events on the calendar – yep, grab your Budweisers and stick the pizzas in the oven, it's Superbowl Sunday.

Superbowl LIV is between the Kansas City Chiefs with their explosive quarterback Patrick Mahones and the resurgent San Francisco 49ers under coach Kyle Shanahan.

So here are 10 facts about the great event you might not know…

1 **THE Superbowl trophy is named after the man widely regarded as the greatest player ever, Vince Lombardi, who guided the Green Bay Packers to victory in the first two Superbowls in 1967 and 1968.**

2 WILLIAM Perry of the 1985 Chicago Bears was nicknamed The Fridge, many said because of his massive unstoppable bulk. One commentator said: "He's called the Fridge because when he closes the door on you, the lights go out."

3 **A 30-second TV commercial during the live broadcast of tonight's game costs $5.6million (£4.2million).**

4 DENVER Broncos quarterback John Elway was paid $75,000 (£57,000) by Disney NOT to say 'I'm going to Disney World!' after Superbowl XXI. The movie corporation paid both him and victorious quarterback Phil Simms of the New York Giants the same – but only the winning QB got to say it. Elway still kept the money.

5 **NO president currently in power has ever attended a Superbowl, even though tonight's is the 54th!**

6 LEGENDARY quarterback Peyton Manning is the only player to have won Superbowls with two different teams – the Indianapolis Colts (2007) and the Denver Broncos (2016).

7 **JENNIFER Lopez and Shakira will share the famous half-time show with J-Lo planning a set involving 130 dancers.**

8 THE only player to be named MVP (most valuable player) from the losing side in the Superbowl was Dallas Cowboys Chuck Howley in the defeat to Baltimore Colts in 1971.

9 **CLEVELAND is the only city with an NFL team never to have hosted, nor appeared in, a Superbowl.**

10 ARMCHAIR fans in front of their TV sets in America will each will consume an average of 10,000 calories over the 24 hours.

'Paedo tash' taunt teacher punched teen

A TEACHER punched a teenage boy in the face after he made fun of his "paedo moustache".

The 13-year-old had been watching the man play rugby and made the comment as he came off the pitch.

He told the unnamed teacher that he had a moustache "like a paedophile would".

The teacher then asked the pupil if he wanted "a smack in the face", a Teachers Disciplinary Tribunal in New Zealand said.

The boy then pointed to his cheek and said "yes, right here", and the man punched him during the incident in February 2018.

According to the report, the teacher then told the teen: "You're not laughing now", before walking away.

The tribunal found the man's actions had constituted a "serious misconduct" but found a "rehabilitative" approach was the appropriate response.

Conditions were then imposed, requiring he be mentored by a colleague for one year and pay £1,700 in costs.

Fake gashes to ashes...

A KINKY company is offering funeral services for SEX DOLLS so their owners can bid farewell to their silicone soulmates.

The Ningen Love Doll company, based in Japan, is offering a range of funerals for the dolls after carrying out an internet survey where clients asked for the service.

Japanese men who became "attached' to their love dolls wanted a way of saying goodbye to them whenever they break or get "overused".

The company offers clients three funeral packages for their silicone soul mates – from £200 to just over £600.

Their top of the range Doll Angel Funeral Plan allows clients to accompany their sex doll to the "processing facility" to attend the funeral in person and read out a eulogy, and a certificate and photo or video are included.

'Is it turning you on, seeing him inside me?'

SCHOOL MISS LET PUPILS WATCH AS SHE SHAGGED BOY, 16

GUILTY: Former teacher Kathryn Houghtaling

A TEACHER has admitted allowing young male students to watch her have sex with another pupil as a "turn on".

Kathryn Houghtaling, 26, asked the students if it made them "horny" seeing the youth "inside me", according to police records.

She is now awaiting sentence after pleading guilty to six counts of third-degree criminal sexual conduct.

Houghtaling, a former special education teacher at Rochester High School in Detroit, had been accused of engaging in sexual acts with two students, both under the age of 18.

By BRAD CHADWICK
news@sundaysport.co.uk

None of the incidents took place on school property, police said.

A detective told the court one incident took place inside a car with other students present, while another incident occured at a student's home – which is where Houghtaling allowed the boy's pals to watch.

"She was completely naked and really wanted us to watch," said a victim statement.

"She kept asking if we were horny, watching him inside her.

"It was almost like she wanted us to join in. It was exciting, but we were like, 'No way'. It was pretty wild."

Alcohol and drugs were involved and one of the students was in her class, cops added.

An investigation began on January 8 when a parent found a video of a group of students partying with a teacher.

Detectives responded to Rochester High School and interviewed Houghtaling, who then admitted she had sexual contact with two male students, aged 16 and 17.

She was immediately sacked by the school district.

According to the local sheriff's office, the sexual incidents took place in November and December of 2018.

Houghtaling will be sentenced next week and faces up to 10 years in prison.

LOOKALIKE: Emma as Diana

UNKNOWN Emma Corrin landed the role of Diana Princess of Wales in the fourth series of Peter Morgan's Netflix drama *The Crown*.

By SUZIE SHELDON
news@sundaysport.co.uk

And the hot lookalike has been shooting scenes around Europe for the past three months.

The cast and crew recently paid a trip to Winchester Cathedral as they filmed scenes for what appeared to be a recreation of Diana and Prince Charles' final wedding rehearsal at St Paul's Cathedral in 1981.

Emma, 24, channelled the princess-to-be for the shoot, in a wig styled into Diana's short blonde style.

It's thought *The Crown* series four will pick up in 1977 and run through to 1990 – and will prominently feature the relationship and eventual marriage of Charles and Diana Spencer.

Diana married Charles in 1981, and the couple welcomed sons William and Harry in following years.

But Emma is not the first actress to play the People's Princess.

Here are a few more – and they're showing off their bared busters, too…

MISUNDERSTANDING ABOUT TENERIFE HOLIDAY TALK LED TO RACISM SACKING

TERMINATED: Former security officer Harry

SACKED: Alastair Stewart (*left*) and (*right*) a beach on Tenerife

A UNIVERSITY security guard has been sacked after a convoluted row about his alleged RACISM.

Harry Sutton, 32, had been enjoying a cup of tea with colleagues at the University of West Lancashire, when he espoused about his admiration for the Canary Islands' main isle of Tenerife.

But instead of eagerly asking to see his collection of holiday slides and accepting his fridge magnet friendship gifts, his po-faced co-workers instead got him the SACK.

Shocked Harry, from Skelmersdale, said: "It was just your normal elevenses – a cup of tea and a slice of cake. I was telling the team about the week-long break I'd been on with my mum to Tenerife, by far and away the most exotic place on earth.

"So there I am, telling everyone how amazing Tenerife is, and I'm going on and on about how I love the fact the Canary Islands are all the result of undersea volcanos – they're literally made of solidified volcanic rock.

"And I remember turning to Mary, our assistant head of toilet cleaners, and saying: 'The most amazing thing about Tenerife is the lovely black beaches'.

Subhuman

"Then all hell let loose."

Harry, who still lives with his mother, added: "I'm a security guard and can handle myself, but I was tackled to the ground by a group of students in Extinction Rebellion T-shirts and told I was a subhuman racist scumbag.

"One of them even super-glued themselves to my thigh.

"It was total anarchy. I'm not a racist – I love that Bob Marley."

Last week veteran ITN newsreader Alastair Stewart was sacked after he quoted a Shakespeare play that mentioned an angry ape when describing someone who's an idiot.

SUNDAY SPORT EXCLUSIVE
By JUSTIN DUNN

The black beaches of Tenerife are the result of a volcanic basaltic coastline meeting the erosion of the sea.

The island has a coastline of 250 miles of which only 40 miles are actually sandy – the rest are black.

A spokesperson for the University of West Lancashire told *Sunday Sport*: "There appears to be have been a huge misunderstanding in this situation.

"But just to be on the safe side, and to avoid any repercussions, we have decided to terminate Mr Sutton's employment.

Spit-rage driver jailed

A HOMOPHOBIC driver who spat at cyclist as he shouted: "Oi, gay boy!" has been jailed after he was traced by DNA he left on the rider's pink Lycra.

Faizal Alizada, 23, abused the man – known only as 'Mr Howard' – from his car while they waited at traffic lights at Notting Hill Gate, west London.

Police were able to match spit samples back to Alizada following the attack in March last year.

Alizada, of Shepherd's Bush – who has previous convictions for common assault and ABH – was brought to court nine months after the attack and convicted of assault by spitting.

He was jailed for eight weeks and ordered to pay £150 compensation.

District Judge Samuel Goozee said: "Spitting at anybody is abhorrent – it makes it much more serious by the homophobic nature of the assault."

Alexa, take all your kit off...!

By WENDY THOMAS
news@sundaysport.co.uk

GORGEOUS Alexa Grace got one of those sexy digital assistants for Christmas – and it's caused no end of havoc at her Leicester home.

The 32C beauty, 27, said: "You kick it into action by saying 'Alexa?' and of course, my name's Alexa.

"So if anyone says my name in my house, the Echo Dot hears it and starts up, so you get this electronic voice answering back.

"It's quite farcical.

"Actually, I prefer the old-fashioned ways – clock and wireless – to all this electronic wizardry."

CALL GIRL

IT'S every man's fantasy – watching two beautiful women making love, and being asked to join in!

It's also a lot of women's fantasy, too, as many girls on *AdultWork.com* say ladies also pay for their services.

By WENDY THOMAS
news@sundaysport.co.uk

Whether it's to fulfil a threesome fantasy with their fella or to explore unfulfilled lesbian desires, more and more women are hiring escorts.

Some girls even specialise in other women and turn down jobs from blokes.

We spoke to three girls who all gladly hook up with girls and they revealed all about their sexy experiences.

Head over to *AdultWork.com* NOW to find the hottest ever lesbian escorts all ready and eager to help out...

'I've had so many threesomes with married couples'

MANDY ERSKINE, AGE 32 FROM MUTLEY, PLYMOUTH

"I LOVE sex with other women but I'm bisexual so I love getting a cock inside me, too.

"Which is why I tend to specialise in threesome with couples.

"There are so many people out there in relationships who just want to try something different.

"Sometimes it's the woman who has had a lifelong urge to get it on with another babe but never really had the chance.

"Other times it's the man's ultimate fantasy to watch his wife being licked and stroked to ecstasy.

"Whatever the reason, I am here to fulfil their needs and I've had so many threesomes with married couples.

"I really am the threesome queen.

"My favourite part is watching the man as he sees us start to stroke each other for the first time.

"Often, they have fantasised about this for years – and finally it's real.

"They get so excited I have to order them to stay where they are.

"It wouldn't be fair if they are rushing in before their lady has had her special time with me.

"Because I can guarantee they won't have had an orgasm as powerful as the one I give them.

"I know exactly what a woman wants and only when they have climaxed at my hands will I let the partner join in.

"Most of the time they come within minutes because they are just so excited!"

'I know how to bring a woman to orgasm every time!'

SUSIE BRIGHTMORE, AGE 35, FROM ALTON, HANTS

"I KNOW I don't look like a stereotypical lesbian but I'm 100 percent into girls.

"I could make money with men but I don't think it would be fair to offer a service I wouldn't be totally enjoying.

"That's why I'm exclusively a lesbian escort – I want to enjoy what I am doing.

"My clients are all types of different people – from businesswomen to teachers.

"Often they are single and find it hard to meet other women because of work or because of their family or culture.

"Sometimes they are in relationships or married to a man and want something different and exciting.

"Those types of clients are my favourites because they are so excited and eager that we both have a lot of fun together.

"I think it's different having clients that are women because they want me to have a good time as well.

"Almost every time I meet a client I have an orgasm. A normal hook-up for me is inviting a girl over to share a bottle of wine to get them nice and relaxed, and then offer a massage or maybe a shower together.

"That's when it starts to get interesting, because once we're naked we're all in the same boat, and if we're sharing skin then inhibitions soon get left behind.

"Once we're comfortable, and the first brief kiss has happened, it's all systems go.

"The best thing about being one-on-one with a girl is the exploration of each other's bodies because we know our own bits best.

"Men think it's all about diving in straight away, but we know our erogenous zones better than anyone – and while our boobs and fannies are important, there are so many more bits!

"I know how to bring a woman to orgasm every time.

"I have seven or eight regular customers who I'll get together with at least once a month.

"No-one bats an eyelid at two women sharing a hotel room so once we lock the door we can get up to whatever we like.

"Next time you see two girls together on a trip, check out their eyes. If there's a twinkle, that'll give you something to fantasise about!"

'Some women just want to experiment'

HELEN CORRIGAN, AGE 26 FROM POOLE, DORSET

"I'VE taken a lot of lesbian virginities – I don't know if it's because I maybe look all innocent but when women are looking for an escort for their first time with a woman they choose me.

"It's always amazed me how many women are out there like that.

"They have dreamed of sex with a woman but never quite done it.

"They often tell me they have kissed their friends on nights out and enjoyed it but never had the bottle to take it further.

"And they say they masturbate while thinking about kissing and licking their female friends but they've never gone through with it because they are scared they will be rejected.

"That's where I come in – I am a safe space for all their fantasies.

"Some women just want to experiment. And once we start they don't stop.

"I guess once they have booked me the barriers come down and they're excited to see what sex with a woman is really like.

"I keep a selection of sex toys for the more adventurous clients, but as it's the first time with another woman in most cases I let them take the lead and follow along.

"Sometimes they just want to start with a gentle kiss – which is fine – but more often than not it will lead to something else, and something else means no clothes and lots of bed action!

"There are some men who think that girls need to be shown what to do in bed, but that's not my experience at all.

"Most of them seem to know exactly what they want and what they've been missing and the joy on their faces when they realise they can achieve that with another woman is something to behold.

"Trust me, when an otherwise straight girl is writhing on top of your face and screaming your name in ecstasy, there's nothing like it!"

MICA'S IN THE MARKET FOR A NOSH!

By WENDY THOMAS
news@sundaysport.co.uk

MOUTHWATERING Mica loves nothing more on a Sunday than going to a street market to pick up some bargains – and some grub!

The beauty, who lives in Shoreditch, east London, said: "I like to got to the Brick Lane Market and soak up all the wonderful diversity you get in that part of the city.

"There are all races from all over the world and they are all united in one pursuit – ripping off the tourists for as much money as possible.

"You can hear all the languages under the sun but in fact, they're just speaking one language – the language of sheer, godless greed.

"After being jostled and shoved for an hour or two, in the crowds, I like to go and get some street food.

"There's nothing better than paying the tick end of a tenner for some dead rat wrapped in a serviette that will drip foul grease down your sleeve.

"Oh, how very vibrant!"

HANDJOBS

LISA: The first time I gave a handjob I was 16 and watching TV in my boyfriend's bedroom when he asked me to try it.

I soon realised how to do it properly and I was pumping away like a maniac.

He came in under a minute and it went all over my hand. I wasn't that impressed with it really – it wasn't very romantic.

FIONA: I was in my local park one afternoon when I was 16 and got chatted up by a guy there – he was the first guy I gave a handjob to.

We started kissing and I noticed he'd pulled his willy out, so I got hold of it and started tugging him off.

It was nice seeing how much pleasure he was getting from it and he didn't even make the 30-second mark before he came. But I didn't mind.

ORAL FUN

LISA: I gave my first blowjob to my first boyfriend when I was 17. We were lying down under his bed covers and I knew what he wanted.

I'd read about how to perfect your technique in a few magazines, so I had a good idea what to do.

It took two or three minutes for him to come and I swallowed the lot.

FIONA: I was also 16 when I gave my first blowjob. I was in my boyfriend's bed and he asked me if I'd mind doing it.

I'd watched a fair bit of porn so I had a good idea what to do – I loved doing it because it felt good and turned me on.

He came after just over a minute and I swallowed the lot, too.

I was really pleased I did it, because he returned the favour, which was amazing!

FIRST TIME

LISA: I made my boyfriend wait two months before we had sex for the first time when I was 17. I planned to do it but my fella had no idea it was his lucky night.

We did it in my bed and it went well – I really enjoyed it. He knew what he was doing and lasted for about two hours before he orgasmed.

I'd had such a good time I couldn't wait to do it again. I was pleased it didn't hurt like all of my friends said it might.

FIONA: My first time was when I was 17 with my first boyfriend and we did it up against a wall at a fairground.

He was a virgin as well, so it really was a case of the blind leading the blind – neither of us had a clue!

He came in about five minutes and sadly I didn't really think it was the best experience of my life at the time. It wasn't a patch on what I thought it was going to be like, to be honest.

Thankfully, sex has got an awful lot better since then an I absolutely love it!

HUGE WILLIES

LISA: Just after I turned 20 I was dating a guy who had the biggest willy I've ever seen – it was nearly 12 inches long!

I was really nervous when I first saw it because I thought he'd break me in two, but he agreed to be gentle with me.

It took a while of foreplay but after that it was all pure pleasure. Size definitely matters, and bigger is definitely better!

FIONA: I had a one-night stand last month and he had the first big one I've ever had.

It was 10 inches long and I was terrified when I first saw it – I wasn't sure I could go through with having sex with him.

But I did and it was the best I've had in ages. The size made a huge difference and I had multiple orgasms.

BUM FUN

LISA: When I was a lot younger I heard some horror stories about bum sex being a bit painful for some women.

But I soon found out that was a load of bollocks and have to say it's brilliant!

FIONA: I totally agree – I tried it on the advice of a friend and absolutely love it, too. The first time I did it, my then boyfriend couldn't believe his luck when I told him to put his willy up there – I'd never seen him so excited.

It felt a bit strange at first, but then I got more and more turned on and ended up shouting at him to bang me harder.

We both had amazing orgasms and I've done it loads of times since and enjoyed it just as much every time.

DRESSING UP

LISA: The first time I dressed up for sex I bought some black, lacy underwear and put it on for my boyfriend. It was something I knew he'd like and he nearly keeled over with excitement when he saw me in it.

We wasted no time in role-playing and had sex for about three hours.

It was brilliant fun and I think it works so well as it makes you feel sexier.

FIONA: When I was 17 I dressed up as Wonder Woman for my boyfriend. It was Christmas and I wanted to give him a nice treat.

My friend had done it for her boyfriend and it went down a storm so I thought it was worth a try. He just grabbed hold of me as soon as he saw me and threw me on the bed – the rest of the night was just as much fun, too. In fact, it was some of the best sex I've ever had!

ONE-NIGHT STANDS

LISA: The first one-night stand I had was when I was 18 with one of my good friends from school. We were on a night out and went back to his house because we were both horny.

He wasn't very good in bed but it still felt exciting and naughty and that did it for me.

It lasted half-an-hour and I think we both enjoyed it. We both felt bad about it the next day though – you shouldn't really sleep with your friends.

FIONA: My first one-night stand was down a back alley with a guy I pulled in a pub when I was 17.

We were both tipsy and feeling randy and couldn't wait to get home so we did it behind the pub instead.

It was all going very well until a policeman turned up and threatened to nick us if we didn't stop it and move on!

That was extremely embarrassing.

SEX TOYS

LISA: My first sex toy was a Rampant Rabbit which my friends got me for my 18th birthday. I was single and I think they felt a bit sorry for me.

The first time I used it I was amazed at how effective it was.

It wasn't as good as the real thing but it still gave me a nice orgasm in well under 10 minutes.

FIONA: My first toy was a vibrator called the Cliterate. My ex bought it for me and it gave me the first orgasm I'd had in months when he used it on me.

It was so much better than he was, and having sex with him afterwards was a bit of a letdown to tell you the truth.

FANTASIES

LISA: The first fantasy I lived out was when I was 18 and turned up at my boyfriend's house wearing just a coat.

When he realised, he threw me straight onto his sofa and f**ked me senseless.

We moved into every room in the house after that – it lasted about three hours in total and it was just as good as my fantasy.

FIONA: I not lived this fantasy out yet, but I'd love to have sex with a future boss in the workplace.

I imagine I'm working in a hotel and have wild, rampant nookie with the duty manager there one night.

We would have been flirting for ages and then one day I start kissing him and we can't control ourselves.

We do it on a desk and knowing that someone might walk in and catch us is just the biggest turn-on.

God, I'm getting horny just thinking about it now!

He couldn't believe his luck when I told him to put his willy up there...

TODAY

TOMORROW

***Australia on Fire: Climate Emergency* – C4, 8pm**

THE dramatic and terrifying story of the battle to save Australia from the bushfires ravaging the country, with first-hand accounts from firefighters on the front line.

Reporter Kylie Morris examines the long-term impact of the fires on the diverse animal population and ecology, with drone footage revealing the extent of the devastation.

It also features testimony from those who only just escaped their burning homes with their lives, as well as hearing from some of those who have returned to burnt-out properties.

I read the nudes today, oh boy...

***Mary Beard's Shock of the Nude* – BBC2, 9pm**

PART one of two. The classicist examines the nude in western art and its troubling power to provoke ideas about gender, sex and moral transgression.

Mary starts with a statue of Aphrodite by Praxiteles and Titian's Venus of Urbino, asking how a woman like her should respond to the artworks, and considers the challenge of depicting the female nude for a woman artist by looking at the work of 17th-century painter Artemisia Gentileschi.

In a life-drawing class, Mary joins a hen party as they attempt to sketch a naked man.

OF THE TELLY

By BARNEY SAMUELS

Steve's icy Arctic role

***Undiscovered Worlds with Steve Backshall* – BBC2, 6pm**

THE naturalist explores the world's most dangerous environments, beginning in the Arctic.

The objective is to discover how rising temperatures are affecting the environment, wildlife and the local people.

Steve begins his expedition on the east coast of Greenland, where he assembles a team of experts to join him as they kayak across the world's largest fjord – braving lethal and ever-shifting sea ice, vast icebergs and hungry polar bears.

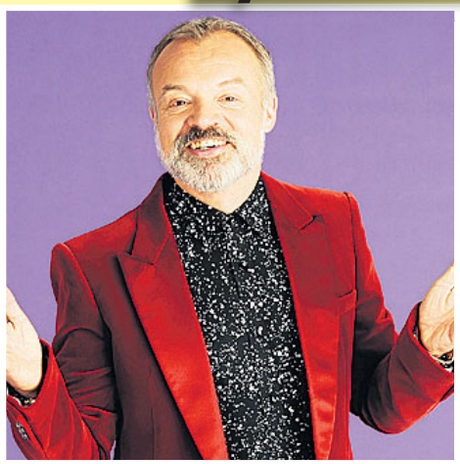
Fascinatingly dangerous stuff!

***Doctor Who* – BBC1, 7.10pm**

WHAT links a missing astronaut, birds behaving oddly in Peru and a US naval officer who washes up on a Madagascar beach?

The Doctor, Yaz, Ryan and Graham split up to investigate these mysterious events across 21st-century planet Earth, but as the mystery deepens and lives are put at risk, they face a deadly race against time to save humanity.

Guest starring Warren Brown and Matthew McNulty, with Jodie Whittaker, Bradley Walsh, Tosin Cole and Mandip Gill.



***The British Academy Film Awards 2020* – BBC1, 9pm**

GRAHAM Norton hosts the ceremony live from the Royal Albert Hall in London, with *1917*, *The Irishman*, *Joker*, *Once Upon a Time in Hollywood* and *Parasite* all up for Best Film.

Also in the running for awards are Leonardo DiCaprio, Charlize Theron, Joaquin Phoenix, Quentin Tarantino, Saoirse Ronan, Adam Driver, Jonathan Pryce, Bong Joon Ho, Brad Pitt, Al Pacino, Joe Pesci, Taika Waititi, Margot Robbie, Greta Gerwig, Laura Dern, Florence Pugh, Renee Zellweger and Scarlett Johansson.

TUESDAY

***Universal Credit: Inside the Welfare State* – BBC2, 9pm**

DOCUMENTARY exploring Universal Credit from the point of view of both government employees and those who rely on the controversial benefits system to support themselves.

The first episode features Rachel, who left her job to care for her elderly parents, and now struggles to support her family on Universal Credit while also coping with debt and depression.

Jobcentre employee Karen finds herself faced with similar difficulties to her clients, and has to take a second job to support herself.

***Ben Fogle: New Lives in the Wild* – C5, 9pm**

IN the final episode of the current series, Ben meets Dan, a photographer living off the land in the wilds of Oregon who relies on catching fish and harvesting wild weeds to provide himself with food – he's also built his own Native American-inspired sweat lodge.

Dan reveals how his childhood inspired his unusual lifestyle, and takes Ben on a journey deep into the surrounding mountain ranges.

However, he also shares his fears of an uncertain future, and how he may be forced to leave the meadow he calls home.

Last in the series.

DON'T MISS THIS!!!

NEW: *Inside No. 9* – Monday, BBC2, 10pm

The first kicks off in a referees' changing room ahead of a crunch clash between United and Rovers.

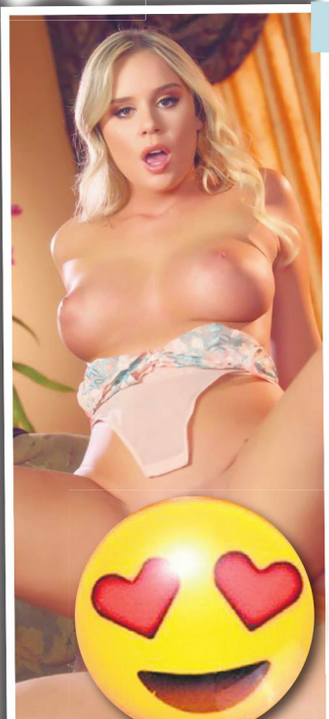
SUNDAY Sport LEGENDS OF PORN

PART 93

ALEXIS ADAMS



By PENNY MARSHALL
news@sundaysport.co.uk

AS a cheerleader in her home town of Dade City, Florida, Alexis Adams knew she loved being the centre of attention – and she also knew that she liked men furiously masturbating over her.

She giggled: "I knew loads of the guys at my collage liked to jerk off while thinking about me – I'm an exhibitionist."

So, aged 18 , Alexis moved to Las Vegas where she first worked as a stripper, posed for *Playboy* and then got into hardcore porn.

Squirt

The 27-year-old said: "I love doing creampie – that's where the guy comes inside you and you kind of squirt the come out of your pussy after."

The 32DD stunna added: "I also like doing solo stuff. I actually ALWAYS come when I've got a dildo rammed into my pussy and I'm tugging on my nipples."

And it was solo stuff that launched her hardcore career.

She said: "They suggested solo masturbation and it took me a while before I finally did that. Then they asked about boy/girl and I said 'Hell No!' But then it kind of happened. Just as well I like cock."

SHOW-OFF: Alexis says she is a bit of a natural exhibitionist

Sarah B finds room for sex

BUSTY beauty Sarah B invited us into her smallest room – but not to watch her tinkle...

By JAYNE FERGUSON
news@sundaysport.co.uk

The brunette babe revealed she loves to bonk in the bathroom!

The 26-year-old, from Brighton, said: "My favourite thing is to step out of the shower and get towelled down by a hunky bloke.

"He then gets me sweaty all over again with a shag in the steam.

"Then I have to have another shower, of course. But who cares?"

Who indeed?!!

JENNY'S THREE-WAY TREAT FOR HER GUY!

BUSTY Jenny Laird has confessed she has a thing for inviting her sexy girl pals into the bedroom to get frisky with her and her fella!

By WENDY THOMAS
news@sundaysport.co.uk

The Birmingham lass, 29, says she gets really turned on by curvy women.

Jenny, 32DD, said: "I once had a three-way with a fella and a bisexual girl pal.

"I'm straight, but I was always intrigued about what it'd be like to sleep with a woman.

"I was seeing this guy and the sex was getting a bit boring, so I suggested we ask my friend to join us, too and not surprisingly, he jumped at the chance.

"It was everything I'd ever fantasised about! She was so soft and sensual, she knew exactly where to touch, kiss and lick me. I was in absolute heaven!

"It was fantastic and we both gave him a double blowjob at the end – so my fella was a very happy bunny, too."

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I AM having an affair with my boss – I'm 21 and he's 44. He regularly has sex with me over his desk – in both holes, too.

I also give him a blowjob in his car at lunch. The sex is good and he's given me a pay rise.

And a couple of months ago I agreed to go to a hotel with him and two of his mates to make a sex vid together.

I sucked them all off before having sex with them in a variety of positions. They pounded me good and proper.

In return for my sexual favours, my boss promised me a promotion. But I still haven't heard anything.

What should I do?

HH, Lancs

Kelly says...
RAISE the issue with your boss. A deal is a deal.

Dear Kelly,

MY wife has recently employed a cleaner. She's a student of 21 and is blonde, good-looking and with a great body.

Last week I was off work when she came to clean the house. She saw me watching her and asked if I'd like to watch her clean the bedroom.

When we got there, she put down her duster and took off her top. I started feeling her lovely big tits while she unzipped my trousers and started playing with my throbbing cock.

She expertly sucked me off before I came all over her face. Now I try to work from home on the days she cleans and we end up shagging.

But I'm worried my wife will find out, as she isn't cleaning up properly. What can I do?

CP, south London

Kelly says...
BLAME your wife for hiring a fit cleaner!

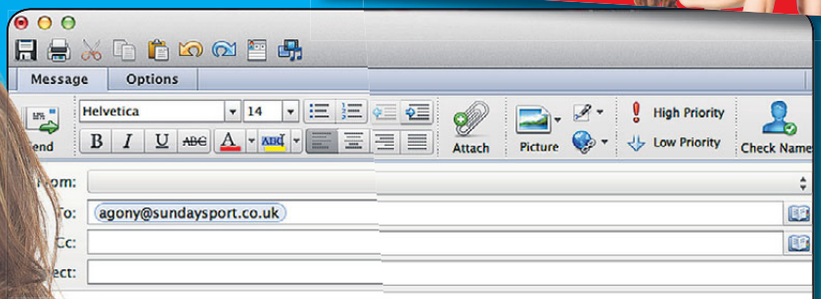
Sunday Sport SEXY BACK END!



Gym hunk fell into my big booby trap

Dear Kelly,

MY enormous 36DD breasts have opened lots of doors for me.

As an 18-year-old university student I've found that even the most hardened geek crumbles at the sight of them struggling to force their way out of the tight tops I wear.

They start drooling the moment I enter the college bar and I pull as many as I can.

Recently I have been going to the gym on campus and I've built up a following among the rugby hunks who hang out there.

Moist

One day I went with my pals and all the guys lifting weights were ogling me.

I noticed one in particular had got a tremendous hard-on. It was all I could do to stop myself going and grabbing his manhood there and then.

The fella was one of the rugby crowd, and although his ears had taken a bit of a hammering he was well sexy with really big muscles.

When my pals had left, it was just me and the hunk left in the gym. I was moist, steamy and well up for a shag, so I went up to him with my boobs bursting out of my top and invited him into the showers.

We locked the door behind us and he let my top down. My boobs sprang out and he started sucking on them.

Slipping off his shorts and jock-strap, I wrapped his solid cock in the ample folds of my boobs.

I gave him a slow, sensuous tit-wank until I could feel the pressure building up as his sack tightened.

By this time my pussy was dripping wet with love juices and I whispered that I wanted him to f**k me senseless.

He turned me round and spread my legs roughly as I leaned over a bench and then entered me like a steam train.

I've had so much fun thanks to my boobs, now I'm wondering if I should have them made even bigger.

What do you think?

DC, Nottingham

Kelly says...

SOUNDS like you're having plenty enough fun with them as they are.

Dear Kelly,

WHEN I got home from some serious shopping at the weekend my feet were hurting, so my considerate partner got on his knees and started kissing and licking my toes.

This felt great and I felt myself getting wetter and wetter. He also got aroused and we f**ked long and hard on the couch.

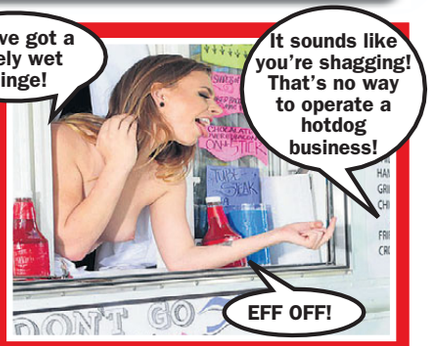
Is this normal?

LA, Wiltshire

Kelly says...

YES, it's quite a common sex turn-on.

Don't mind if I do! WUYYYYY!
BUNG!
...I want a hotdog
OOOOH! OOOOOOOH! Yes, coming right up! OOOH! That's it - right up!
THUD! THUD! THUD! THUD!
...with onions and ketchup on. 'Ere, what are you up to in there?!



Kelly says... LOOKS like she was hungry for more than just hotdogs!

SEX STARS

LEGENDARY director Joone, the genius behind some of the world's best EVER adult movies, helmed all three *Island Fever* epics.

He is known as the Spielberg of Sp* and when he calls, the leading adult actresses come running!**

Topping the bill here is superstar Tera Patrick but she's ably supported by top-drawer movie shaggers Julia Ann and Briana Banks.

And of course, you can't have proper shagging without some good hard cks and *Island Fever* has some of the biggest and best in the business. After all, what man is going to refuse a month in a tropical paradise bonking some of the most beautiful women in the world?**

HERE'S your chance to get your mitts on the greatest sex films trilogy ever made...for a fraction of the normal price!

Island Fever was the ground-breaking hardcore porn film that rewrote the rules in terms of both content the budget.

The world's leading adult stars were taken to the paradise islands of Hawaii, then shagged daft in pin-sharp HD for our viewing pleasure!

This no-expense-spared extravaganza became *the* must-have DVD and copies changed hands at prices many times their face value.

The two follow-ups didn't disappoint and, if anything, pushed the envelope even further. This time the juices were flowing on tropical Tahiti and Bora Bora bore witness to bum tricks as even more red-hot babes dropped their panties and their inhibitions to bring us a tropical feast of f***ing and sucking.

The greatest cinematic trilogy since *The Godfather* would normally cost you £25 each but today, in conjunction with *Private Shops* we can offer you one for £15 or all three for just £25.

Remember, this is hardcore pornography and not available on the internet or by mail order. The only way you can get yours at this amazing price is to get yourself along to one of the licensed sex shop on this page.

We've negotiated this unbeatable price as a thank-you to all our loyal readers.

Our Angela hits all the right notes!

FAMILY trees can be surprising at times.

If glamour girl Angela Bruckner ever went on BBC1's *Who Do You Think You Are?* viewers would see she's related to Austrian composer Anton Bruckner.

The 27-year-old, who lives in Leicester, said: "My distant ancestor was a very strange character.

"He suffered terribly from obsessive-compulsive disorder, depression and, it seems, perversion.

"He made many marriage proposals to teenage girls.

"And he always had a morbid fascination with death and dead bodies – leaving explicit instructions regarding the embalming of his corpse.

Bonkers

"He sounds mad, quite bonkers.

"I just like sex and I don't really think that makes me mad."
